AOB

SW informed the meeting that Apps Court would only accept rally bookings after 31 March of the rally year. It was agreed this would not work for us.

SW said that Chiltern would probably have to raise Rally prices next year giving the general increases.

It was agreed that if there are only one or two EHU pitches, the Stewards should be offered one and should agree to charge mobility scooters etc. If a Member needs EHU for a medical device they should be given use of the electric pitch.

MM stated that in August Committee Members would be asked what their intentions are for the following year.

CW to ask SW to email future Stewards with a copy of the Rally Guidance, asking them to make sure they read it before their rally.

Next Meeting
